THE SPICE OF LIFE

May come from many a source. We all enjoy a good laugh and when one considers how easy it is to assume duties which tend to create ill health it is not remarkable to find so many

matter the nature, sooner or later the labors will soon become a task in this climate. You feel tired, can't eat and relish your meal; imagine you are un-fortunate and long for a change.

whether the cause of your ill feelings are not due to lack of tone to your stomach, thereby overtaxing your nerve force, which eventually wrecks the whole organism.

The Perfect Plows

In all agricultural countries it is on a good plow that the tiller of the soil relies for a good crop. We carry all kinds of plows from the large

Sulky Plows

to the smallest

Rice Plows

But it is on our

Plantation Breaking and **Double Mold Board Plows**

that we chiefly pride ourselves. These are in use on nearly every plantation on the Islands. Only within the last three weeks we have sold a number of the large plows to take the place of plows from other firms which had been eturned as unsatisfactory.

The great advantage of the Perfect plow is that it requires less aximals to draw it, and cuts an excellent furrow without digging down.

GET IT AT WATERHOUSE'S. A Chat

About Our Plans. We have delayed making answer to the voiley of interested inquiries that have been made on all sides since the announcement that we had leased larger quarters in the Waverley Block—that we would not carry dry goods in the future—not that we didn't want to take the public into our confidence, but that when we did speak it might be from well-developed plans. The framework of the great business we hope to build here is constructed at last.

The success you've given us in our past business assures us our methods are approved. We are glad. We've tried hard to give you the best possible service—and we start into the broader field with great achievements behind us—and high alms and ambitions before us. You'll feel at home in the "Greater Store" because it'll have the familiar ways.

As purveyors to the public in all that is best, reasonable in price—quality considered—in GROCERIES,

GROCERIES,

HARDWARE. CROCKERY, GLASSWARE.

We shall occupy our accustomed place—in the lead. We shall be there by virtue of our deserts. Those lines are to have more room than they've ever had.

EVERYTHING FOR EVERYBODY

at prices that will not affect the pocket of the most economical—as long as they want good goods— will be the slogan of the future, with us.

COMPLETE IN ITS THREE LINES. COMPLETE IN EACH LINE.

Our Island customers may always depend upon us to send them the best that money will buy. When in town make our store your headquarters.

We are to be congratulated upon our great acquisition—and you upon the greatadvantages the greater store will afford. May we prosper jointly.
